Village to be Host To 2000 Visitors At Style Sessions

Representatives of Big Stores From All Nation; Textile Makers and Menswear Manufacturers to Descend on Palm Springs

Planes, trains, buses and automobile parties will converge on Palm Springs all day Friday, Saturday and Sunday to bring hundreds to attend the fourth annual Palm Springs Roundup, sponsored by Menswear Manufacturers association of Los Angeles.

Newt Thorsen Jr., chairman of the event this year, announced that more than 2000 buyers representing large department stores throughout the nation will be present in addition to representatives of the largest textile mills in the country.

Home Coming Frolic to be Village-Wide

"Everybody will be there, the young the old the halt and the blind and we'll see that they have a good time," declared Milton Hicks, chamber of commerce chairman of the first annual "Home Coming Frolic" to be held at The Stables November 10, in announcing plans for the event at a meeting of all committees at the Fiesta House on the Desert Inn grounds Friday night.

HICKS ELABORATED further declaring that unlike last year's benefit for the Palm Springs chamber of commerce, this one on the night of November 10, will cost just one dollar. "The price of admission was set so that all may attend," said Hicks.

The program tentatively decided upon with more features to be added, includes two bands to furnish music for the dancing. One band already known, will be ex-governor Jim Davis's musicians. It is the same band that toured the state of Louisiana with Davis in his successful bid for the governorship.

HICKS PAID HOMAGE to Governor Davis in announcing that The Stables and its downstairs facilities have been turned over in toto for the affair. Among the others who have donated prizes to be given away that night, are Fred Reed, George Zouganilles and Auck Harris.

Food and refreshments will be sold at near pre-World War II levels. Hicks said that sandwiches would sell for around twenty-five cents, and the best quality of refreshments at low prices.

All receipts will be turned over to the Palm Springs chamber of commerce to pay for its annual activities. Hicks announced that additional surprises will be announced later.

Looks to me like that's a better project than street lights, goose pimple day, (but not more benches) . . . Sunday's the day we have most visitors from outside . . . People who may, if they like their first impression, come back to stay a while . . . It's also the day our winter visitors come down to look us over . . . and what do they see? . . . Discarded gum wrappers, abandoned cigarette packs, flasks . . . Will say that the bottle-drinkers are getting better mannered . . . They stand the dead ones neatly against building walls now instead of leaving them in the gutters.

Home Coming Frolic to be Village-Wide

REGISTRATION of visitors is scheduled all day Friday at the Desert Inn headquarters of the convention. Thorsen said specially chartered buses will meet all trains at Palm Springs depot and at the Santa Fe and Union Pacific stations in San Bernardino. A specially chartered American Airlines DC-6 carrying buyers from distant cities is scheduled to arrive at the Palm Springs airport at 1 p. m. Friday. Members of the Los Compadres will accompany each bus as part of the welcoming committee.

Western Airlines will also bring passengers to Palm Springs and announced that it will offer 150 or more special aerial tours of the desert on Sunday to persons attending the three-day menswear meeting.

FRIDAY NIGHT all visitors will be urged to attend the Los Compadres dance at the Del Tahquitz hotel in celebration of Western Week which is being staged simultaneously.

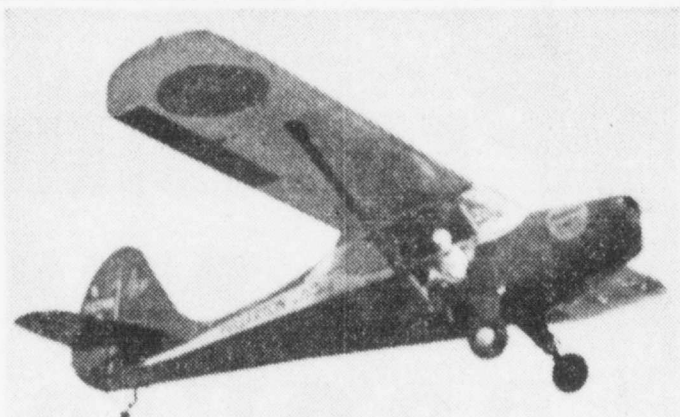

Saturday morning the annual breakfast ride will start the day with buses and horsemen leaving the Desert Inn for the chow wagon at 8 a. m. At two p. m. women guests will be entertained at a special party.

At 4 p. m. the famed Merchandise Forum will be held on the grounds of the Desert Inn. Nationally-known merchandising experts, their voices transcribed on records, will be heard with actors pantomiming the talks, a feature that is new in the presentation of the forum.

At 9 p. m. the annual ball will be held at the Inn with refreshments, dancing and entertainment highlighting the event.

SUNDAY MORNING, golf enthusiasts will take part in a tournament on the O'Donnell golf course. At 9:30 a. m. visiting women will be taken for an automobile tour of Palm Springs and surrounding desert country. Aerial tours of the desert will also feature the morning.

Climax of the mens' sports-wear convention will come on the Mashee course of the Desert Inn Sunday night in the style show with admission to members of the sponsoring organization, buyers and allied industry representatives. If there is still room, the public will be invited, it was announced.

REFUELING—Using a specially contrived hook on the end of a rope, Dick Barris, co-pilot of the endurance plane is shown leaning out of the cabin of the Aeronca sedan as he hauls three gallon container of fuel from speeding jeep on the ground at the Palm Springs Airport. The flier was forced to land at Fullerton after 105 continuous hours in the air. (Desert Sun Photo.)

Endurance Flyers Come Down After 105 Hours

Bad luck which trailed the two endurance fliers after they left the Palm Springs airport Saturday at noon, finally resulted in the plane coming to ground at the Fullerton airport after 105 continuous hours in the air. Forced to leave the skies over the local airport because of an inability to comply with insurance regulations here, Bill Barris and Rick Riedel flew their plane to Hemet.

There the jeep they were using in refueling operations crashed off a short runway at Ryan Field. The fliers were then forced to fly to the International Airport at Ontario where another vehicle was pressed into service.

Sunday afternoon over the Fullerton airport one of two engine magnetos caught on fire, forcing the fliers to land their Aeronca sedan plane.

Both Barris and Riedel insisted they were going to try again and remain aloft 1000 hours, their original goal. They were scheduled to take off sometime this week.

Curfew Shall Not Ring In Palm Springs Friday

Curfew shall not ring in Palm Springs Friday night. Not that Mayor Charley Farrell is going to hang on to the rope.

There isn't any rope and, besides, it would be too undignified.

But on the night in question—Friday, Oct. 29—Halloween will be observed in the Village. That's because Halloween actually is on Sunday night and Sunday night is not fitting for Halloween observance.

SO THE MAYOR proclaimed Friday night as the night the Lions club will stage its annual parties for Village youngsters.

On Friday night, however, the boys who will be guests of the Lions club at the football game between Palm Springs and Hemet highs and at a feed afterwards, or the girls who will be theater guests of the club and at a feast afterwards, won't run afoul of the law if they aren't safely tucked in at 9 p. m.

Aliens, Stealing Ride on Freight, Crushed by Pipe

Two Mexican aliens illegally in this country, were thanking their lucky stars they were alive today at Palm Springs Community Hospital following their rescue from behind the crushing weight of tons of pipe on a Southern Pacific goldola car near Garnet early yesterday morning.

The men, Maurilio Lopez, 22, and Nicholas Villanos, 25, had slipped aboard the freight train somewhere north of Indio to avoid Border Patrol officers. They hid from brakemen inside one end of the gondola carrying, it was reported, 45 tons of four-inch pipe, twenty to thirty feet long. When the train stopped and then jerked to a start again near Edom, the load of pipe shifted pinning the two Mexicans under its crushing weight against the side of the freight car. They were not discovered until the train stopped for water at Garnet when their screams attracted the attention of brakemen.

C. C. H. Woodmansee, who was called to the scene, reported that it took from 5:30 a. m. to almost 8 before the pile safely could be removed by trainmen. It was necessary for the physician to administer sedatives during the rescue operations. At the hospital, examination proved that Lopez suffered a fracture just below his right hip and Villanos sustained a fractured lower left leg.

Decorations In Place; Big Event at Hand

Huge Crowd Expected In Village, Program Features Fun, Thrills

Festive spirit and the color of Western Week which gets under way Thursday has already made its appearance on Palm Canyon drive. Gaily colored banners proclaiming fifth annual Western Week and welcoming persons to the Palm Springs Roundup of the Menswear convention and fashion show decorate street intersections and the facades of building and hotels in the Village.

FRANK BOGERT, member of Los Compadres sponsoring the week, has accepted appointment as the supreme court justice of the Kangaroo court. This week he, High Sheriff Bill Grant and his bevy of beautiful women deputies were laying plans to arrest.

Gratt has raised its ugly head. For one buck Villagers and visitors can buy protection from the Kangaroo Court judge. Badges indicating immunity for the wearer from the wrath of the sheriff and his pretty deputies, may be purchased for \$1 at the Doll House, Del Tahquitz, Chi Chi, Bombay, Desert Inn and Palm House. The wearers won't be touched by the sheriff.

The badges are about the size of a silver dollar and a wholesale business is being done in them. After all, a buck is cheaper than what Judge Frank Bogert may feel like assessing.

rest the whole town, especially Villagers and visitors who fail to wear some semblance of Western attire in their daily dress during the four days of the annual event, October 28-31.

Members of the Los Compadres and other Village horsemen are scheduled to shoot up the downtown section of the city Thursday morning formally heralding the start of Western Week.

GEORGE STREBE, chairman of this year's event, is of the opinion that Palm Springs will be crowded with out-of-town visitors during the four-day celebration.

Phil Delano, chairman of the parade Sunday noon, announced that several bands and many well-known riding associations will take part in that spectacle.

Joe Butler, chairman of the Western Show at the Field Club, which follows the parade, declared that spectators there will get a thrill-a-minute.

WARNING!

Proposition No. 12 WILL BRING BACK PROHIBITION

It will write local prohibition into our state constitution . . . it is dangerous and reactionary and belongs to the antiquated past . . . It will lead to disunity, hypocrisy and disrespect for all law . . . It will invite the return of bootleggers and gangsters to California

Proposition No. 2
Is LIMITED to LOCAL regulation of places where liquor is sold
Vote YES on No. 2

Because:

It PREVENTS PROHIBITION.

It retains state-wide positive law enactments instead of a hodge-podge of local experiments in California Counties and Towns.

It imposes a duty on town and county officials to adopt and enforce ordinances regulating the presence of minors where alcoholic beverages are sold by the drink.

It imposes a duty on town and county officials to adopt and enforce ordinances for proper lighting, proper ventilation, and proper sanitation facilities in all places where alcoholic beverages are sold by the drink.

It grants to each town and county as a matter of constitutional right all of the license fees collected by the State, amounting to \$5,500,000 per year.

It requires speedy decision on any complaint filed by local authorities against any licensee whose continued operation would be contrary to public welfare or morals.

It protects hundreds of thousands of working men and women against loss of their jobs.

It protects the taxpayer by continuing the \$0 million dollars in revenue now received from the legal alcoholic beverage industry which otherwise would be added to the local tax rate with greatly increased taxes on homes, farms and businesses.

VOTE "NO" ON Number 12

Prevent the return of bootleggers, gangsters and illicit distillers.

Preserve uniform state laws relating to control of alcoholic beverages.

Avoid heavy extra tax burden which No. 12 would create.

Prevent the exposure of our citizens to the jeopardy of innocent violation of conflicting local prohibition laws.

WE TRIED LOCAL PROHIBITION FOR MANY YEARS AND IT DID NOT WORK!

New Town & Country Opens In The Center Thursday

The new Town & Country Restaurant, located in the top of "The Center," the construction and furnishing of which has been under way for many months, will have its formal opening Thursday, October 22, at 5 p. m., it is announced by George E. Clarke, president and general manager.

Clarke, who has been head of the legal department and secretary of a chain of restaurants operated in Seattle by Clark's Restaurant Enterprises since 1927, began work on the new Town & Country enterprise last April, when he purchased his home in Palm Springs at 1318 Buena Vista, to settle here permanently with his family.

ULTRA MODERN in design, with a unique architectural and color motif which gives it a sharp individuality, the Town & Country was created to provide a smart, new, intimate rendezvous for Villagers, Clarke pointed out. It will offer the finest cuisine and will feature eastern corn fed steaks and prime ribs, seafoods from the Pacific Northwest, the finest of salads and pastries made in its kitchen, which has the most modernly equipped stainless steel fixtures obtainable.

Ralph Hendershot, an outstanding chef, will be in charge. He opened and operated the Seattle Town & Country Club for two years; was with The Breakers at Palm Beach and the Royal Palm Hotel at Miami; the the Multnomah Hotel and Seelye-Dresser in Portland.

CLARKE HIMSELF is no stranger to the Village. He came here for a holiday first in 1939 and returned annually since with his family for the season. One son, Dick, is a junior in Palm Springs High School and an older son, Stuart, is a sophomore at the University of Washington, from which his father graduated in 1927.

"I became convinced some years ago that Palm Springs was

no longer just a village, but a thriving business community which was bound to become a year-round city. I am here to spend the rest of my life and will try and contribute everything I can toward helping Palm Springs grow. I know that people want good food and good service and this I will give them in the Town & Country," Clarke said.

Vel Tones Open At Palm House

Vic Sudaha and Gene Hughes, owners of the popular Palm House restaurant and night club, announced today that the famous Vel Tones band, will open this evening. The owners say that they look for a sell-out opening night but will pack in guests as long as they can get them inside the place. The Palm House has just finished its enlarging and redecorating program. Newly furnished and redecorated, it now sparkles with murals, an enlarged bar room, and a smart new look.

Closures Lifted In Forest Areas As Result Storm

Normal J. Farrell, supervisor of San Bernardino National forest said last week that the closure order which has been in effect all summer in mountain areas has been lifted, due to recent rains.

Campfire permits are still required and smoking is prohibited except in camp, places of habitation and posted areas.

Some danger spots are still closed and people going into the mountains are requested to make sure first.

"With my staff, I want to thank the public for their fine co-operation in fire prevention in the San Bernardino forest this summer," Farrell said.

Rainstorm Mixed Blessing Says County Official

Last week's rainstorm was a mixed blessing according to report of Robert Davis, deputy county agricultural commissioner Saturday.

It raised levels in the county's water tables but it hurt grapes and dates in the Coachella valley and beans and hay in the western portion of the county.

It also worked a hardship by delaying the harvest.

Some dates, at an early stage of maturity were ruined and others damaged enough to reduce their grade.

The Date Advisory board estimates the loss as from between 5 and 10 per cent. Maure Solt, manager of the board, said yesterday that the split fruit was healing which will permit the fruit to be marketed at a reduced grade classification.

Melville E. Stone was the first general manager of Associated Press.

Drivers' Tests At Legion Hall

Change has been made in location of the drivers' license test bureau in Palm Springs this year. Instead of being held at El Paseo building as formerly, the examinations will be given at American Legion hall, 400 North Bellard road.

The hours are from 9:30 a. m. to 12:30 p. m., and from 1:30 p. m. to 4 p. m.

California Highway Patrolman Bert Dawson will conduct the tests which will be given every Wednesday and Thursday starting November 3.

Masons Meet for First Time Today

Masonic club of Palm Springs meets in its first luncheon meeting of the new season this noon at the Chi Chi in the Blue Room.

Bryson Amos, president, said the meeting would start promptly at noon.

Progressive Education will be the topic of Arthur G. Hoff, acting superintendent of the Palm Springs Unified school district.

All Masons, Villagers or visiting, are invited.

Lighter Side Of Police Job Told in Reports

Officer Ted Greene on the midnight to dawn shift at the police department has a sense of humor.

His interpretation as of his every-day duty is reflected in the daily police reports. Purposely done too, is the belief of his fellow officers who like to read them.

As an example this week he wrote the following:

"Called to 267 Overlook road to capture, dead or alive a vicious animal. Found this ugly beast to be a ferocious tarantula, which was gratefully donated to the Desert Museum by a Mrs. Cursey."

And this one:

"Called to assist officer Harry Houghton in running down a lost dog. Barehanded too."

Auxiliary Will Meet Tuesdays

Owen B. Coffman Post, American Legion Auxiliary will hereafter meet on the first and third Tuesdays of each month instead of Wednesdays as heretofore.

Action changing the dates was taken at a special meeting last week. The new order goes into effect Nov. 2. Mrs. Jay Morrison, president, said.

Absentee Ballots Must be Obtained Before Thursday

Will you be absent from your home town polling place next Tuesday?

If so, time to apply for an absentee ballot is short. Deadline is Thursday, October 28, five days before election and Villagers who will not be in town next Tuesday are urged to write at once to County Clerk G. A. Pequegnat at the county court house to apply for an absentee ballot.

Those living in other counties or other states must write to the clerk of their home county.

Information needed is the home precinct, registered address and address to which the absentee ballot is to be mailed.

Anyone seeking further information on absentee voting may acquire it by dialing local republican headquarters, 2811.

Officers Elected By Mothers Club At Parish School

With election of officers the primary business of the day, the Mother's Club of St. Theresa's school, held its initial meeting last Wednesday afternoon in the school cafeteria. Mrs. August Kettman presided and introduced Fathers Michael O'Conner and William Clavin who welcomed the large gathering of mothers.

Officers elected for the coming year were Mesdames Hilda Talbot as president, Margaret Theriault, vice president and Geri Jenkins, secretary-treasurer. Sister Bernadette invited the members to visit the children's classrooms. Following the meeting, tea was served by the seventh and eighth grade girls.

"Meetings will be held monthly," said Mrs. Talbot.

Sale of Surplus Dates to Federal Agencies Sought

Six million pounds of surplus U. S. standard dates may be bought by the government, it was announced at a recent meeting of the date advisory board in Indio.

Chairman A. W. Staples said that he has been in correspondence concerning the surplus with E. M. Graham, chief of the dried fruit division, United States department of agriculture; Senators Sheridan Downey and William F. Knowland; Congressmen John Phillips and Harry R. Sheppard, and Jack Anderson, congressman from San Jose county.

These men assured Staples they would do all in their power to further the sale.

Maure Solt, manager of the board, said that as of Oct. 8 1-580,310 pounds of dates had been inspected and certified. Sixty-one per cent of this amount was graded standard; 25 per cent choice; 9 1/2 per cent sub-standard, and one per cent fancy. Another 3 1/2 per cent was inspected but not certified because of infestation.

Back Pay Hike For Salons

Riverside county chamber of commerce is on record today as favoring passage of proposition No. 5 on the November 2 ballot which provides for a raise in pay for legislators. A resolution was adopted by chamber directors Monday endorsing the measure.

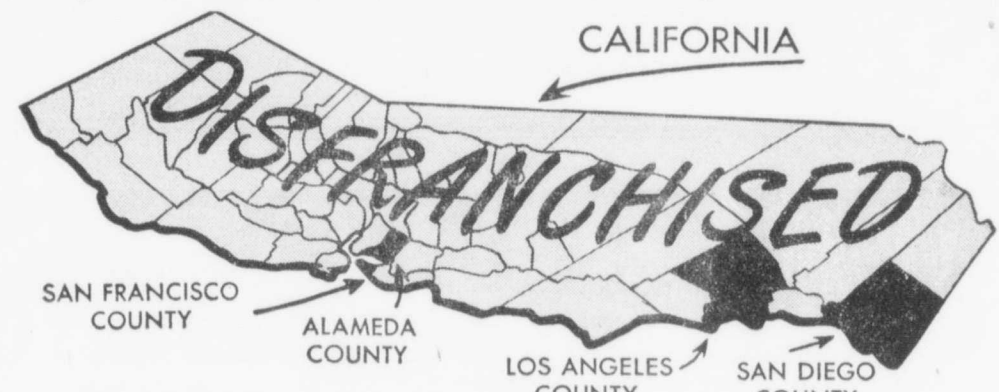

It points out that state legislators now meet twice as often as when the pay scale was first adopted.

Thomas A. Edison published the first newspaper ever printed on a train.

Why You Should Vote "No" on Proposition No. 13

PROPOSITION #13 would take away senate seats from rural areas and give them to the big cities. Four counties, San Francisco, Alameda, Los Angeles and San Diego, would control the senate as they now control the Assembly. Fifty-four counties would be virtually disfranchised. Ninety-six per cent of the state's area would be deprived of any effective voice in legislation. A balanced legislature, the American form of government, would be destroyed in California.

Interior Counties Face Loss in Senators Unless They Work Hard Says Board Head

That the interior counties will have to work hard and roll up a substantial majority against proposition No. 13 or lose some of their representation was the warning issued by Chairman V. Pittman of county supervisors Saturday.

Pittman said he had received word from E. T. Mancuso, president of the County Supervisors association, that Los Angeles county would favor the amendment by a large vote, according to polls taken so far. Pittman

warned county voters that success of the measure in Los Angeles county would go a long way toward insuring its passage.

HE URGED that voters in Riverside county go all out in an effort to defeat the proposal by voting "no" in the November election.

"We must defeat one of the most vicious pieces of legislation ever submitted to the California voter," he stressed. "The wel-

fare of Riverside county will be seriously at stake if the measure is successful," he added.

"Senate reapportionment is the most dangerous measure on the ballot and must be defeated. It springs from special interest groups which believe their causes would be served by putting legislative control in the hands of four heavily populated counties."

How to Enjoy Life In Palm Springs

Whether you are a winter visitor or stay the year 'round, your first need is a home. There are certain desert features you will want that home to have—A living room with a big fireplace, picture windows, framing a mountain view; at least two roomy bedrooms with loads of closet space; a really modern kitchen with lots of tile and good lighting and breakfast table area; a luxurious tiled bath with both tub and shower and beautiful lasting fixtures.

Service features should include a well equipped laundry room, a paved, enclosed carport, air-conditioning and the best modern heating. As for the lot, it must have ample patio space, a corner is usually preferred so that view and sunshine will always be protected. Lastly, price, for a house already built should be less than duplication cost.

Art Center In Plaza Will Open Nov. 1

An unusual and unique feature of National Art Week, November 1 to 7 will be the Art Center show in the Plaza, an outdoor exhibit of original paintings by local artists.

The show is sponsored by the Palm Springs Art Center in connection with the formal opening of their galleries November 1.

The opening of the Art Center has aroused wide attention among Villagers. Many fine artists have made the Village their home in the past few years and the Art Center is designed to display their works.

The Art Center exhibit is expected to attract wide interest not only locally but in art centers throughout southern California. All local artists are invited to participate in the exhibit and they should contact William Fox at the Art Center or call 7153 for space reservations.

The Art Center will serve as representative for local artists in displaying their works for sale and will act in an advisory capacity to home owners, decorators and designers wherever art is needed.

Coast Dwellers Flock to Desert For Sunshine

Heading for the desert sunshine at Hotel La Quinta with the fall opening of the popular resort near Palm Springs, coast dwellers from San Francisco to Los Angeles began their seasonal autumn sojourns over the past week-end. Mr. and Mrs. Walter Kirschner of Los Angeles have opened their palatial new home on the hotel's estate grounds.

Mrs. Oliver Rousseau of San Francisco and Mr. and Mrs. Marshall Shapiro of Orinda, California, headed the Bay Area arrivals for annual month's residence. From Los Angeles are Carol Mills of Westlake School for Girls and Norma Landwehr of Bel Air.

Screen star Jimmy Stewart and Bill Grady of MGM started an innovation in entertainment with a remote-controlled toy truck which Stewart set running wild in the hotel lobby, both of them adding to the confusion by wearing gruesome Halloween head-masks.

Down from Altadena are Mr. and Mrs. V. E. Rutledge; from Inglewood are Mr. and Mrs. Wade Perong; and from Los Angeles are Mr. and Mrs. Alex Laren of Linwood drive and Mr. and Mrs. Herbert Pulver of West Los Angeles.

Western Week will be highlighted at Hotel La Quinta on Sunday, October 31 with the Annual All Breed Dog Show presented by the Palm Springs Kennel Club, and the agenda of activities for the coming winter season will present swim-meets, tennis tournaments, fashion shows and riding barbecues. Dinner parties in the colorful dining room with cowboy serenaders is a popular attraction.

No One Need Overstay Now

Alarming—but true, Betty and Culver Parker have started something. Seems he was tired when Don and Eddie Peake phoned to see if they would be home.

"Sure, come at 8 and stay until 9:30," said Parker.

The Peakes arrived and Don Peake draped his coat over a chair. Promptly at 9:30 an alarm clock he had concealed in his coat pocket sounded off—to the surprise of the Parkers.

Social ACTIVITIES

By Muriel Cowan, Telephone 6345

SPARKLING—One view of the new Pepper Tree Inn, remodeled, enlarged and redecorated during the Summer by Mr. and Mrs. Frank Rusaleem, the owners. (Desert Sun Photo.)

Villager May See Inaugural

Marian White, well known winter visitor, is still touring the east and her return to Palm Springs will be delayed for a few weeks. She may even stay on through January for, as she wrote friends here, she would like to see Thomas Dewey and Earl Warren inaugurated in Washington that month. Mrs. White has been a steady worker in republican ranks for some time and even on her tours of the east coast, she is getting in a little campaigning on the side.

She is making Bethesda, Md., her headquarters with Mrs. Henry Frish, her guest here on many occasions, and has visited many places en route east. Their tours have taken them from Gallup, N. M. to Cape Cod and Newport on the Atlantic coast and up into Wisconsin. Mrs. White wrote friends here that she had encountered many Villagers and winter residents of Palm Springs in the east and that interest in the city was high.

Fashionable New Pepper Tree Inn Delights Visitors on Opening Day

The fashionable new Pepper Tree Inn opened with colorful flair Friday. Over the week-end, many out-of-town socialites from the southland, and from San Francisco and other northern spots along with scores of Villagers, were welcomed and escorted through the beautiful new hotel. Owners of the smart new apartment-hotel are Mr. and Mrs. Frank Rusaleem, of Palm Springs and San Francisco. Mrs. Isulah Thirlaway is the resident manager. She has spent the past twelve seasons in the Village, and has a host of friends here.

The new Pepper Tree Inn, long a popular resort for winter visitors, is now trebled in capacity. It boasts of accommodations for almost 100 guests. It has 35 units, single, double and suites, as well as hotel rooms. Harry Williams was the architect. Stewart Williams, the designer, and Roger Williams, the structural engineer, L. P. Scherer was the builder. Barker Bros. decorated the hotel. A long list of the other contractors, who created the beautiful new structure, was carried in the Friday issue of The Desert Sun.

Of modern design, the buildings and apartments, offer the utmost in comfort as well as beauty. Built around a sparklingly beautiful pool, the handsome apartments combine the latest use of materials as well as the most handsome and luxurious of decorations, furniture and furnishings. Gleaming redwood throughout the structure, inside and out, glass in plentiful and exceptional use and chrome, are seen at every turn to enhance the beauty of the interiors and exteriors.

Villagers who were invited but have not yet viewed the new Pepper Tree Inn are urged to do so before the winter season is in full swing and the opportunity is denied them.

Spending an evening at the Palm House Thursday were: Homer Reed Landau of Beverly Hills, Bob Savage, Bill Bond, Bob Underwood, Steve Stephens, Don Cameron, Milt Hicks and Joyce Dresner and Henry Ginsberg, President of Paramount Pictures.

Bride-to-be Honor Guest At Shower

Mrs. Walter A. McManus was hostess at a bridal tea Thursday afternoon for Miss Nancy Jaynes daughter of Mr. and Mrs. Oliver B. Jaynes, who will be a November bride, in her beautiful home in the Tahquitz River Estates. The table was beautifully appointed with chrysanthemums and white daisies. Tea was poured by Mrs. William B. Malouf.

Among the hidden guests were Mesdames George Wheeler, James Hume, W. B. Malouf, Harold Murphy, Robert Ransom, John Ballard, Laura Montgomery, Oliver Jaynes, Kenneth Kirk, Earl Cordrey, Rathbone Hees, Jack Gorham, Henry Reid, Jr., Gwyneth Cobb, Jack Trotter, Russell Payton, Russell Wade, Kenneth Colborn, Mace Gazda, Reed Hubbell, James Whitehorn, Austin McManus, William Talbot, John Costello, Rex Cowan, and Miss Louise Peel.

They are Herbert Foster, Betty Jordan, daughter of Mr. and Mrs. Edward J. Clement, 1563 South Palm Canyon drive, Robert W. Lienau, son of Mr. and Mrs. Harold N. Lienau, and Don Williams, son of Mr. and Mrs. John W. Williams, 423 North Palm Canyon drive.

Girls' Hotel New Project Of BW Club

"Heaven helps the working girl—but not in Palm Springs."

That was the verdict reached by members of the Palm Springs Business Women's club as they met in their first breakfast of the season Wednesday at the Royal Palms Hotel.

"Our most urgent objective is the establishment of a co-operative hotel or housing project for business girls," Mrs. Mildred Veano, president, told club members in outlining the project.

Mrs. Eva Menard is chairman of a committee to look into the situation and the Business Women's club hopes to be well along on this, their greatest project, before long.

At the Palm Springs hotel this week are Mrs. Frank C. Borrmann and daughter Dorothy and Mrs. Ruby LaVerne Rice, all of San Francisco with the Rolley Perfumes company.

9 Precincts To Take Care Of City Vote

Interest in 19
Propositions Will
Bring Out the Vote

Palm Springs voters will cast their ballots a week from today in the presidential election at nine precincts and despite the fact that, outside of the presidency, no offices are at stake, a large turn-out is expected.

Most interest was in Propositions 12, prohibition, 13, senate reapportionment, and 14, housing. A strong campaign for a "no" vote on all three is being waged here.

Polls will be open from 7 a. m. to 7 p. m.

City hall yesterday listed the nine local precincts as follows:

1—Paddock Pool company, 693 Sunny Dunes road.

2—Health Center, 459 East Amado road.

3—Torney General Hospital, 1150 North Indian ave.

4—Kenny Paul's service station, 1708 North Palm Canyon drive.

5—Francis Stevens school, 538 North Palm Canyon drive.

6—Youth Center, 386 North Bejardo road.

7—Union Ice company, 31 Indian ave.

8—Littleton Auto show room, 682 South Palm Canyon drive.

9—Henry Snow's garage, 240 East Ramon road.

IT'S THE CANINE'S CANINES—Best, Great Dane belonging to Mary Nelson gets his teeth picked and shined by Dr. O. B. McRory, veterinarian. It's all in a day's work. (Desert Sun Photo.)

So Many Dentists in Town, Dog Has His Teeth Cleaned

Although care of a dog's teeth played no part in the discussions at the fiftieth annual dental seminar attended by 200 hundred dentists, Dr. O. B. McRory, veterinarian believes there is considerable room for such specialization in that professional field.

The other day, while the dental seminar assembled, Mrs. Mary Nelson, operator of Palm Springs Airport decided it was time her Great Dane, two-year-old and named Best, made a trip

to the dentist's office but there are no dog-dentists at least in Palm Springs.

THE NEXT BEST BET and a good one at that, was the office of Dr. McRory who said he was not taken aback in the least when asked if Best's grinders and tusks could be cleaned.

"Sure," replied the Village veterinarian, but there are two hundred of the topmost dentist in the country here and if—?

ANYWAY, Best put his 150 pounds in the dental chair and docily submitted to a scraping of his giant molars.

"Seems to me that the care of a dog's teeth would not necessarily mean that dentistry was going to the dogs, but a pretty good field in which to practice. Dogs suffer from caries (dental cavities) too," said the veterinarian.

Tourist Influx For Year to Date Sets New Record

Representing the greatest three quarter year influx of cars in state history, an all-time high of 781,445 out-of-state autos, carrying 2,133,009 passengers, entered California during the first nine months of this year, the Automobile Club of Southern California reported last week.

These totals top by more than 20,000 the previous influx peaks of 760,389 cars and 2,111,988 passengers established during the similar months of 1947's record travel year.

New highs were also set in the third quarter with 333,120 out-of-state autos arriving in California this year as compared to 324,172 cars for the same months of last year.

An all-time monthly peak was set this year in August when 123,123 "foreign" cars entered the state. This surpasses the previous high of 120,234 established in August, 1947.

The club estimated that approximately 1,000,000 out-of-state cars, carrying 3,000,000 passengers, would enter the state by the year's end.

Baby Conference Scheduled Today

Second "Well Baby Conference" of the current season will be held today at Palm Springs Health Center, East Amado road, according to Mrs. Madge Holderman, public health nurse.

Immunization shots for diphtheria, whooping cough and smallpox will be offered free of charge. Dr. Mildred Van Cleave, county pediatrician, will conduct the clinic.

Mabel Russell Now at Lanz

Mabel Russell, well known Villager, this week assumed the managership of Lanz Lady's Ready to Wear establishment specializing in desert wear.

Mrs. Russell who recently resigned after three years with Palm Springs Bullock's comes to the Lanz store with much experience in this type of business.

Baltimore Moved Over to Riverside

Baltimore Flynn, 30, Negro, was sentenced to 15 days in the county jail when he pleaded guilty to a charge of petty theft in Judge Eugene E. Theriault's court Friday.

Flynn was accused of taking 16 sheets and a half-dozen of pillow cases from a Village hotel where he was employed, erasing the identification on the linen and giving them to a girl friend last February.

Now Herrera is Looking For Indian Roundhouse

Where is The Indian Roundhouse?

Police Officer John Herrera was called to a spot behind the Indian Bath house on Indian avenue to quell a disturbance. On arrival, he found three well known members of the Indian colony here, singing.

"We're only singing Indian

songs," remonstrated the songsters.

"The singing is alright," said the officer politely, filling his ear with his fingertips," but the hour is almost midnight."

"In that case," replied the spokesman for the trio, "we'll leave for the Indian Roundhouse to finish our singing."

Old Photographs Given to Museum

Fourteen photographs of early-day Palm Springs were given to the Desert Museum this week by Walter H. Adams of this city.

The pictures were taken in 1914, 15 and 17 by Mr. Adams and Roy C. Adams and include scenes of the old Bath House, the first church, the Desert Inn, the early post office and store, and a picture of Miss Cornelia B. White viewing a tall barrel cactus with Mrs. Adams and Mr. Adams' father.

There are several views taken near where the Rancho Theater now stands, and another of the site where the Fire Station and City Hall are located.

An amusing item in this latter picture is a sign on a fence post reading "Now Ready—Chicken Dinner—50c."

MUSEUM NOTES

Tonight the following films will make up the natural history program at the Desert Museum: "The American Nile," "Movements of Some Common Plants," "Roadrunner Versus Rattler," "Snakes Are Interesting," "Short-eared Owl," and some color movies taken last season on Museum field trips by Jack Schulman of Palm Springs. Program open to the public at 8 p. m.

Tomorrow the all-day field trip of the Desert Bird Group will be held from 9 a. m. to 4 p. m. The group will go to Black Rock Springs to observe birds at a water-hole there. Any person interested in such observation is invited to participate. Bring lunch and water.

Thursday evening at 8 o'clock the first program of the season for members only will be presented. Two films will be shown: "Father Hubbard's Adventures Among Glaciers and Volcanoes" and "Phantom Sea."

Another unusual film shown was the rescue of three crew members including a WAC who were forced down in the unexplored wilds of New Guinea during the war, and who were rescued from this "Shangri-La" by glider.

MUSIC APPRECIATION group held its first meeting at the museum last Thursday night, with over forty persons in attendance. Johann Sebastian Bach was the subject of discussion and recordings of his "Concerto No. 1 in D Minor" and "Fantasia and Fugue in G minor" were played. Appreciation is expressed to Mrs. O. M. Ward for outlining a biographical sketch of the composer's life which was handed in written form to members of the audience. Mr. Dupe is readying his new sound-mirror recording outfit and promises to present his next audience with the finest recording of music available today. The next program, based on the life and works of Beethoven, will be held at the Museum on November 4.

Also very badly in need of two more leaders. In this connection please contact Mrs. D. E. Bond at 4111.

those who have the cleanliness of the city in charge... Let's keep it clean... And to those who wish to reply, let's keep that clean, too.

COMES A LETTER from Maurice McCann... Former councilman, well known here, who's been laid low for the past few months... He must be getting better... Witness the verse he sent in: Phoebe on Dewey and republican hokey, also this: The voters gave Dewey the door in forty four, they'll give him the gate in forty eight... Apparently, McCann is a democrat... And he handles the Los Times here, too!... It doesn't wear off on him, it seems... Anyway, Mac has been on his back for 19 months but says that doctors tell him he may be able to try to learn to walk again soon... Well, if he's disappointed next Tuesday and Harry gets the

berry (razz) he'll be able to walk in the sunshine again.

COMES A COPY of the Desert Grapevine printed at Lucerne Valley, over in San Bernardino county... It gives Harry Oliver a lot of comfort... The editor also wants to split up counties... He thinks San Bernardino county is too big and would chop off the citrus part south of Cajon and make the rest of it Mojave county... Oliver wants to chop the desert out of Riverside county and call it Desert county... But the proposition to have the two secessionists get together and make one county of sand dunes and sage, fell flat... Seems neither of the desert county proponents wants to join something... They only want to separate... But if they get their wish and Proposition 13 wins Tuesday, it won't do them any good... They won't have a voice in the state senate... And can you imagine a Desert Rat without a voice?

MUSING with B. Goodman: Glad to see they are starting adult classes at the high school... Am going to enroll in the penmanship group... Then I won't have to puzzle over things like Kluk Bim Bst Mts... I'll

Braying Donkey Police Headache

The case of the braying donkey is giving the police no little trouble and making republicans out of even the strongest democrats.

Mrs. John B. Arata, Camino de Primrose, doesn't like the early dawn hee-hawing of the Truman symbol and has told police several times. Police Officer Lockwood Marshall, last of three policemen to answer her call, says the case seems hopeless.

"The animal won't listen to reason," he said.

he able to write clearly and decipher what I've written afterwards... Maybe the above had something to do with an uncouth motorist... Now that the season is here, how about a few more benches?... The present seven are well populated... Don't like people who dawdle at a cafe table when there is a line waiting to eat... On the other hand, I don't like waiters who breathe down your neck when there are a lot of vacant tables... Only western clothes I've got is a pink necktie... Wonder if I can get by... One of those immunity buttons ought to do it.

AND DON'T FORGET: Sometime next Tuesday go to the polls wherein you are registered... I don't care how you vote but vote... And put a "No" down against 12, 13 and 14... No, I don't care how you vote—just vote.

Grid Fans Shaken Up in Accident

Six young grid fans en route from Beaumont to Palm Springs to witness the football game between their school and the Indians were injured early Friday evening when the automobile they were riding in turned over on Highway 99 about three miles east of Banning.

Don Villeneuve was the only one seriously hurt and he was taken to Indio hospital by a Weifels and Sons ambulance.

Disaster Group To Meet Today

Members of the Palm Springs Disaster committee are scheduled to meet at city hall at 4 p. m. today to discuss further plans for action in case of any emergency here.

Ten divisions have been set up by the committee and division leaders are expected to make reports of their respective needs at today's meeting.

Harry Harper addressed those present on why the erection of a cement plant as planned by S. Guiberson Jr. would be detrimental to this desert and resort area.

Last Minute Passing Attack Gives Beaumont 6 to 6 Tie With Fighting Indian Squad

By Chuck Blackhart

Palm Springs Indians and the highly-touted Beaumont Cougars went four quarters of rock 'em, sock 'em football Friday night on the local lot and when they got through, they were practically where they started—in a 6 to 6 deadlock.

For a long time it looked as if the Indians were going to add another scalp but in the final moments the desperate Cougars filled the air with passes one of which elicited for the tying touchdown. The try for the winning point went wild.

THE INDIANS' score came in the closing minutes of the first quarter when Fullback Eddie Weiss passed 20 yards to Humberto Lopez on the seven yard line with Lopez squirming over from there. The try for extra point was blocked.

The Indians outplayed the Cougars on the ground with Eddie Weiss doing some fine running. Weiss also turned in some beautiful punting, setting the Cougars deep in their own territory time after time.

The Indian linemen played their hearts out with Willie Kalasky and Jay Hughes showing real stuff all the way. Chuck Bond started his first game for the Indians and proved himself an all-out tackle. Joe Cervantes and Chuck Wilson merit applause for their defensive line play. Wilson played heads up football on Beaumont's tricky reverses. Joe Cervantes latched onto a pass thrown by Eddie Weiss. Although the play only gained 10 yards, Cervantes looked great by taking the ball in the midst of the Cougar team.

BEAUMONT TALLIED with minutes to go in the last quarter with the Cougars' fullback, Laye, throwing a pass to end Blaine on the Indians 25 yard line. Blaine galloped the remaining distance to pay dirt.

Last but not least, acting captain Humberto Lopez, deserves praise for the fine defensive and offensive play he turned in. This coming Friday the Indians take on the Hemet Bulldogs, undefeated so far this year. The Indians hope to upset their apocalyptic come 8 o'clock, Oct. 29.

Palm Springs starting line-up: Cervantes, lg; Luke, lt; Craft, lg; Hale, c; Kalasky, rg; Hughes, rt; Lopez, re; J. Black, qb; Dabis, lb; Blackhart, rh; Weiss, fb.

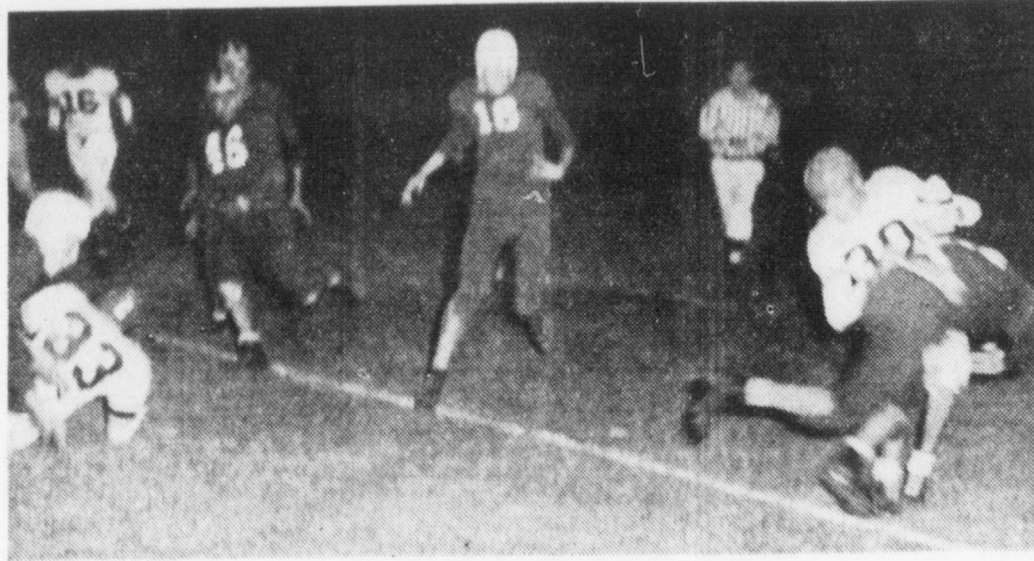

Advisory Group Meets Tomorrow
Coachella Valley Advisory planning committee will meet tomorrow at 8 p. m. at the Coachella Valley Water District auditorium on Highway 111, members were advised yesterday.

Membership rules and aims of the organization will be defined.

More than 50 breeds will be entered in the show, which will be continuous from 10 a. m. until 5 p. m.

The day's events will include obedience trials and an elaborate buffet to be served on the lawns of the hotel.

An unusually outstanding slate of judges will preside over the judging rings.

EXCITEMENT—Cervantes, (32) Indian end, takes a pass from Eddie Weiss and is brought down by an unidentified Cougar after a substantial gain in Friday night's grid thriller in which Palm Springs and Beaumont went to a 6-6 tie. Blackhart (33) has taken out his man and is down himself. Davis (16) is coking up at the left. (Don DuBose Photo.)

13 Records Fall In Salton Races

Recapitulation of results at the Eighth Annual Desert Regatta revealed 13 world speedboat marks had been cracked by drivers who competed in the four-day event, one day of which was postponed by rain and wind.

Final day of tests against time found four more marks shattered. During the regatta 130 outboard and speedboat enthusiasts entered the competition and the event was hailed a great success by its sponsors, the Desert Beach Yacht Club.

Two New Books Given Museum

Dr. E. M. Harvey of the U. S. Department of Agriculture, a member of the Museum's Scientific Advisory Board, presented two new volumes to the Madeline R. Cook Reference Library at the Museum this week. The books are "Story of Plants" by John Asch, and "Two Blades of Grass," a history of scientific development in the U. S. Department of Agriculture, by T. Swann Harding. Dr. Hardy recently reviewed both these books in the Book Section of the Los Angeles Herald-Express.

New Pool Will Add Another Sport at School

Organization of a boys' swimming team for active competition in January is under way at Palm Springs high. Wayland Reynolds, swimming instructor, said this week.

As soon as the high school pool is ready for use, Reynolds will start primary instruction for beginners and advanced diving and swimming for more experienced swimmers.

He is also planning a girls' water ballet which consists of synchronized swimming and has hope of a girls' team later.

The Marionette show presented by Mr. and Mrs. Irving Sussman and their famous Don Quixote Puppets at the El Paseo Theater last Wednesday was a huge success. The audience was entranced by the Master of Ceremonies, Bobo the Clown, and Evangeline and her violin. They will return for another performance on Wednesday, October 27, as will cowboy Red Walker and his clever dancing horse, Hi Ho Copper.

The shows will be staged on the next four consecutive Wednesdays at 3:15 p. m. at the El Paseo Theater. Tickets may be purchased at the schools and at the door of the theater. Admission is 50c for children and 75c for adults. The shows are being sponsored by the Girl Scouts and proceeds will go into their building fund.

San Jacinto Now Tops County Loop

San Jacinto maintained its clean record in Riverside County league football circles by defeating Coachella Valley's Arabs at San Jacinto Friday night 26 to 0. It was San Jacinto's second league victory although they dropped an early season practice game to Palm Springs 0 to 12.

Hemet dropped Elsinore 25 to 12 in another county loop game and stood alone at the head of the percentage column in the league today.

Beaumont dropped out of the league-leading picture when it was tied by Palm Springs here 6-6 Friday night.

Lyons' New Cafe Opens Tomorrow

Opening tomorrow night is the Saddle and Sirloin, famous restaurant of Hollywood and Bakersfield and now Palm Springs. Dave Lyons, who formerly operated Mr. Dees at the same location is owner and manager. The new restaurant has a completely new decor, revamped to offer a Western motif which attracts the visitor at once. Cattle brands, saddles at the bar, Western decorations about the walls, leather and skins add to its gay and ranch-like appearance.

Highlighting its opening, Rosa Linda, famous pianist with an international reputation, appears locally for the first time at the new copper Piano Bar.

The first newspaper west of the Mississippi was the Missouri Gazette founded in St. Louis in 1808.

Financial Plans For Sports Arena Launched in City

First steps in financial promotion for a sports stadium near Angel Springs featuring midget auto racing, boxing and wrestling, were taken in the auditorium of the Wars Memorial Building Thursday night.

There to present the program of financing and plans of California Sports club were its promoters, Dave Saldine and A. A. Pops, both of Los Angeles and well known in southern California sports circles.

THE PLANS, as outlined by Pops, includes sale of \$100,000 in

stock with a par value of \$10 per share and with minimum sales of \$2500 to those interested in investing in the project. A maximum of \$10,000 worth of stock was fixed. All total money derived from the sale of stock will be placed in escrow until total capitalization is reached.

With completion of financing, first construction will be a quarter-mile track for midget auto racing. An oval-shaped arena is proposed with tilted curves as against the orthodox flat-racing course. This, Saldine said, will cost approximately \$50,000.

CONSTRUCTION to follow includes 6000 steel-braced seats and a parking area. Other additions to the combination sports center will be made as the project earns its way through profits from midget auto racing.

August Nardoni's realty and insurance offices will act as the financing agent in Palm Springs.

George Washington refused to write his views for the press.
